

A new start

Editorial

Welcome, to the "To the Point" L.A.C. newsletter. I hope to include items of interest and dates for the calendar. So please do not hesitate to put pen to paper, or email and let me know articles for inclusion. To quote, "this is your newsletter".

When you have a moment, please introduce yourself to our new members, Stuart, Carla and Chloe. Let's make them feel welcome.

.Remember that tea and coffee are available in the clubhouse, you need water and a contribution for the supplies.

We are now in the great outdoors, so please help with the equipment setting up and taking down.

The 2011 AGM has recently been held, with the following people given responsibilities on the committee

Val (Chairman)

Glynis (Secretary)

Meg (Treasurer)

Nigel (Field)

Mark (Competitions)

Caroline (Records)

Jon (Child Protection)

Mick (Ordinary member)

Charles (Newsletter)

Paul (Social secretary)

In taking on the social job, Paul has the most important job, therefore give him your support.

VALuable Tips

When putting your bow together, check your string is in good condition

When storing away your string, don't twist the loops together to stop it unwinding, as it splits the serving

Club Shoots

April	23rd	Nationals
	30th	Nationals
May	21st	Warwicks
	28th	Warwicks

Olympic 2012

Several of our members are trying to arrange an outing to the 2012 Olympics to see the archery, so please watch the notice boards if you are interested.

Key facts

Venue: Lord's Cricket Ground

Dates: Friday 27 July – Friday 3 August 2012

Medal events: 4

Athletes: 128 (64 men, 64 women)

Road to Dunster 56th Dunster Week

Caroline, Alan, Roxanne, Sally and Stephen are preparing for a weekend shooting a double York/Hereford with a difference.

Dunster is the biggest event in the UK, dating back to the 1930's. This includes a week of events including longbow, clout, target and field archery. An excellent opportunity to see top archers, with a stunning backdrop of Dunster Castle in Somerset. To give you a scale of the event, the field archery attracted 198 archers. Fortunately, 18 archers did not start.

On chatting with Sally and Stephen, I discovered they are attending the whole week, so we wait with baited breath for stories of their great feats.

Club Notices

A beginners' course starts on Saturday 9th April, continuing 10th, 16th, 17th and 23rd. So let's put on a good show, for some new potential members.

The club fees are due now, £72 and £36 respectively for adults and children. Cheques should be made payable to Lutterworth Archery Club and given to Meg. If you wish to spread the cost, then a standing order can be set up. Go on have a chat with Meg.

As our new records officer, Caroline would not only like to have all the score sheets from competitions you attend, but also, she wants to record any PBs that you get, so keep her up to date of your archery prowess.

With good weather, Nigel is to arrange the marking out of the field with its yard lines, so please let him know your availability. All strong backs greatly appreciated.

Mark is arranging our club shoots, (see calendar on previous page for rounds we are shooting) and has asked that I add a piece on the club outdoors competition. This is a handicap based shoot based on the best three scores over the outdoor season, shot on the last Saturday of the month. As it is handicap based it could be you.

Unstrung

Top excuses

1. "I thought the white scored more than the gold"
2. "I didn't miss, I was aiming there"

L&RCAA Dates for the Diary

April	17th	KMAC FITA
	24th	Jean Gamble Memorial Shoot (LAOFAC)
May	8th	Bowmen of Glen York/Hereford/Bristol
