

## "Only seems like yesterday"

### Editorial

The long hot summer is now only a memory, and to almost sympathize we have moved indoors, where the distance to the target is short and the time moves quickly.

It is good to see so many archers attending the indoor session and all seem to enjoy it. I know I have suggested this before, but it would be good to see members attending external competitions. If you are worried about

the standard then don't. Remember archery is primarily about improving self first, and you never know you might make a few more friends. There are so few members who compete externally so let's boost the numbers and remind other clubs that Lutterworth is a force to be reckoned with.

And finally, on behalf on the committee, we wish you a merry Christmas and a Happy New Year.

## Club Notices

**Please check the website for any changes/times of club competitions.**

The setting up and taking down of equipment is the responsibility of all club members. So, please don't arrive late and leave early. Everybody's help is needed.

## CONGRATULATIONS

Amelia	Club record	Ladies U13 Barebow	Portsmouth	127	24th November
Marc	Handicap Award	Gents Recurve	WA18	EMAS	18th November
	Club record	Gents Recurve	WA18	546	18th November

### Auntie Jayne

If you have an archery problem, let Auntie help  
Email: [news@lutterwortharchery.org.uk](mailto:news@lutterwortharchery.org.uk)

Dear Auntie Jayne  
Do clickers help barebow shooters when practising? I realise I cannot use this in competition.  
Yours BeBe Klunk

*Dear BeBe  
As a barebow archer if you use a clicker you are shooting recurve without a sight, even in practise. Practise is practise and no archer should do anything different when practising than they would do when competing.  
Auntie Jayne*

## News

L&R300 is a competition run by the LRCAA. It is run at our club meetings, and can be entered as many times as you want. Each month the best scores are forwarded to the county and we effectively compete with archers across the whole county. If you don't know what a L&R300 is, then ask and the rules will be explained. Most of all, get involved.

*A few dates for the diary: there is a fun shoot on the 15th December, a frostbite shoot on the 29th December and a post Christmas meal on the 13th January, so keep your eyes and ears open for details. Don't forget that there is no shooting on the 22nd December.*

### Archery according to 'One Sheet'

To paraphrase Victoria Wood,  
"Is it on the target? Can you point at it?"

LRCAA Diary		
December	9th	Foxes AC - Worcester
January	20th	LAOFAC - WA18
February	3rd	LRCAA - Portsmouth

# Nomination

Lutterworth Archery Club was nominated by Swinford Primary School in recognition of the work we have started with the school to introduce young children to the sport of Archery for "Harborough District Club of the Year".

At the finals, held at Leicester Grammar School, Great Glen, on Thursday 15th November 2018, we were Shortlisted Finalists (there were 3 finalists in each classification) being beaten to the top spot by a football team from Market Harborough.

Glynis, Terry and Mick attended the finals and were presented with a finalists certificate.

Mick said "From the hundreds of nominations for awards we were very pleased to have got into the finals. I believe this shows that all the hard work through the summer was appreciated. I know the children enjoyed their experience. Hopefully we will be able to continue what we have started next year. There is even talk of organising a schools' archery tournament in the future!".

A big thank-you to everyone who helped in any way with this project.

# Monday night is curry night...

Monday 26th November saw LAC members gathering in the wilds of Northamptonshire at the Red Lion pub in Sibbertoft for a curry night social event.

We tucked into British classics such as chicken tikka masala and thai green chicken which all seemed to go down very well.

Once the food and drink was taken care of we taxed our brains with a quiz of common myths, old wives tales & superstitions and I am pleased to report that we all know how to keep the doctor away!

However, it's amazing we all turn up to shoot in clean clothes that have not shrunk given our skills on identifying laundry labels were pretty poor.

We then topped off our quiz with a final round identifying castles and palaces around the world – what a group of travellers we are!

It was a close-run thing for a winner and in fact we had two – well done to the Wigston Wanderers and the School of Hard Knocks who drew for the top spot with 17 points each, closely followed by the Illiteruts with 16 and Threes a Crowd with 15.

A good time was had by all. Monday night is curry night every week at the Red Lion, so let's do it again sometime.

Glynis

## Unstrung

*I missed because ...*

*there is a time and a place to experience failure.*

*I missed because ...*

*this was the time and the place.*
