

"New Year's Resolution"

Editorial

Well I promised myself I would aim once and then aim again before releasing an arrow, but you know what resolutions are like....

It has been good to see so many LAC members at indoor competitions. It would be good to see more next season. It's a chance to meet others and there is

nothing like a bit of healthy competition to encourage focus.

Bit of a short newsletter this time, but I think in general the newsletters over the past year have been a success. Can I encourage you to think about contributing an article when you are out and about with your hobby.

Social

LAC goes to the County Social

The evening of November 25th saw the County Social. This is the second year members of Lutterworth have

attended and the evening was certainly worth the trip. The venue was the Working Men's Club in Kibworth which provided a large, comfortable room with

dance floor (for announcements and awards) and buffet. The aim of the evening is for archers to receive any County awards they have gained, receive team date bars, have achievements recognized and generally mix

and mingle. Sally, Caroline and Alan each received County date bars and/or records for this year. Caroline also collected date bars on behalf of Marc and Paul.

This is not a hugely formal event and next year it has been proposed that there be music, etc to create an even more social atmosphere. This isn't an event purely for County shooters and it's a pity

there aren't more club members and their families in attendance. It would be a good opportunity to meet and socialise with others without any archery pressure.

MEGa Tips

Only release your arrow, when your aiming becomes steady

Club Notices

The AGM is on 31st March at 1pm prior to the afternoon shoot. Please remember that all committee posts are open for election. Nominations for committee posts must have been proposed, seconded and be with the secretary a minimum of 2 weeks before the AGM date.

Formal notification for the AGM will be sent out soon, along with the form for nominating and seconding anyone for a club committee position.

Two posts which are definitely vacant for the coming year, are the chairperson and the social secretary.

The club coach position is becoming vacant, so do you hold existing archery qualifications, or do you wish to get training to be a coach. If so, please let the committee know.

We have several new faces to the club, so please take five minutes to introduce yourself to Helen Hudson and Ray Wyatt.

I do believe that this is the club's tenth year. Do we mark this with a special event?
