

"Olympics"

Editorial

I love watching the Olympics, seeing all these amazing athletes with a fantastic opportunity to show the world their skills and more importantly showing, that although the basic techniques are the same, it's individual traits that win the event.

A very thin newsletter this time, definitely a sign of little activity. The committee is

working hard on your behalf, so it is important that you give them your support and thanks.

It is fantastic to see that all the new members have been shooting regularly with Mick, perhaps all of us who have not shot for months should join in.

Club Notices

Welcome to Natalia, Charlotte and Stuart. Please find time to say hello and introduce yourself.

Please check the website for any changes/times of club competitions/notices.

Do not move the targets; they are setup for all to use.

Birthdays in August

COMMUNITY

Archery according to 'One Sheet'

Half a longbow is not a shortbow; it's firewood.

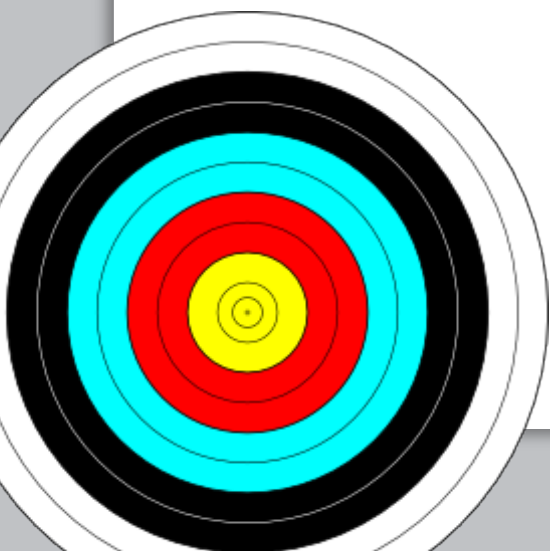

News

Now we are mid-summer, thoughts are already brewing about the indoor season. With that in mind, a survey will shortly be sent to you to get your thoughts. So, start the brewing process.

Do we still need a booking system for the targets? Again a survey is to be sent, so please give it your time.

The county committee has vacancies, so if you would like to get involved, then check the website and get in contact with the secretary on secretary@lrcaa.org.

Now that shooting as a club has restarted, then please respect all those who want to continue with social distancing, and also remember to follow the guidelines to safe shooting in these interesting times.

Unstrung

I missed because

A fletching tickled my nose

I missed because

A fletcher tickled my nose, so I thumped 'em
