

## Awards 2019 / 2020

It is important that we acknowledge the achievements of our club members, which in normal circumstances a gathering is formed and a presentation is held. Due to circumstances beyond all of our control that gathering cannot happen, but we can still recognise the achievements. As per normal procedure, we recognise through trophies and certificates.

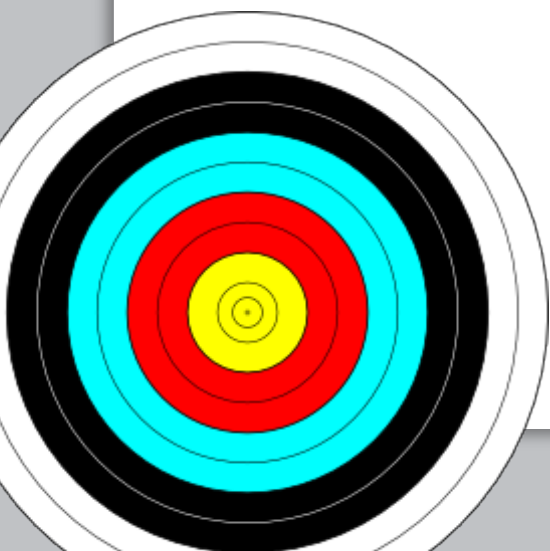

Achievement Certificates will be emailed to the recipients, in addition, a Certificate will also be emailed to the trophy winners. The actual trophies will be presented to the winners as and when it is feasible and safe to arrange to do so.
