

"As predicted "

Editorial

As I suspected, one additional newsletter to complete my tenure.

Spring is here and some of our senior club members have been taking advantage of the good weather by making use of our field, "oh to be retired".

By the time you read this newsletter, we will have completed our indoor season and Saturdays at the field will have begun with distance and tea beckoning.

Once again I thank you for making the newsletter important and wish the new editor (whoever it is) all the best.

COMMUNITY

AGM

This year's AGM is on the **23rd April at 12:30pm in the clubhouse**. It is important to note that all committee positions need nominations, so if you are interested in getting involved, then have a word with any of the existing committee.

It is important that you attend the AGM, as this is your club, so you have a say in its direction.

Archery according to 'One Sheet'

A longbow archer asked a compound archer why he still had training wheels on his bow.

News

WhatsApp group is to be setup, an email has been sent, if unclear have a word with Jon.

The club fees are now due, £75 for seniors and £36 for juniors, for more advice, please contact David (treasurer).

Big thanks to all that help move the kit from the sports centre back to the field. A special thanks to Cliff for the loan of his trailer.
